

Why choose GSHFH?

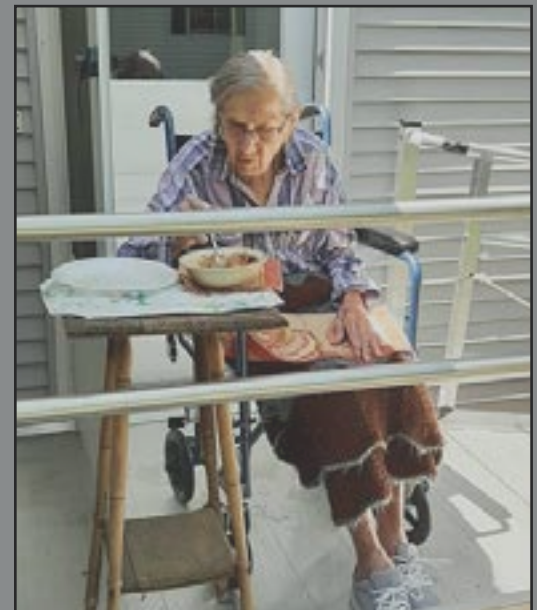

Home preservation is an extension of our construction services. Greater Springfield Habitat for Humanity's program serves low-income homeowners who are affected by age, disability, or family circumstances and struggle to maintain the condition and utility of their homes. Through home preservation they are able to reclaim their homes with pride and dignity. On its face, home preservation is a construction activity. At its heart, home preservation is a community development program that increases the viability of the neighborhood by preserving the existing housing stock, making the homes more livable and the community a safer, more attractive, and a more enjoyable place to live.

Veteran Home Preservation Program

Veterans Build is Habitat for Humanity's national initiative to provide housing solutions, volunteer, and employment opportunities to U.S. veterans, military service members, and their families. Greater Springfield Habitat for Humanity is a Habitat **Veterans Build** affiliate. We offer home preservation and affordable home ownership opportunities to veterans in Hampden County.

Services provided:

Accessibility modifications for bathrooms and kitchens, ramps, roof repair/replacement, weatherization, heating system upgrades, porch/stair repairs, and hard surface flooring to help with mobility.
