## Homeowner Programs Coordinator

Homeowner Programs Coordinator Olga Kravchenko joined the Greater Springfield Habitat for Humanity (GSHFH) team in March 2023. She comes to us from the banking and has a strong understanding of the mortgage provider component of our organization. Prior to her experience as an assistant branch manager, Olga worked for a well-known regional furniture company as a consultant, which introduced her to the nonprofit world. She organized charity nights for customers and staff, partnered with numerous nonprofits in the community, requested donations and later gave the contributions to the appropriate

organization on behalf of the company. Olga is fluent in Russian and a student at Longmeadow's Bay Path University pursuing a degree in Liberal Studies.

Olga can be reached at [kravchenko@habitatspringfield.org](mailto:kravchenko@habitatspringfield.org) or by phone at (413) 739-5503 x1003.
